Year 5 and 6 Home Learning Timetable

Work will be uploaded to Google Classroom at 9am each day.

Presentation

Please make sure you focus on producing high quality work with excellent presentation. We would rather see that you are meeting the success criteria and setting your work out beautifully than writing pages of work where you aren't meeting the activity objective.

classroom.google.com

www.sporcle.com This site contains some great quizzes for learning the geography of the world. We advise learning the cities of England, counties of England – then moving onto the UK, then countries and capital cities in Europe and so on. Each quiz can be found easily through Google.
