Notes about the timetable:

Phonics, Reading and handwriting- - Each day you will be given a short task for phonics, reading and handwriting. You should be reading each day and listening to an adult read and get them to ask you questions about the story.

5-a-day and mental maths - A number of the day will be given and you must complete the 5 things for that number. Answers will be posted at the end of each day. A short mental maths activity will be set each day to be practised with someone at home. The activity or short task should be written below the 5 a day answers in your home learning book.

English- Each task will be a small amount of writing where children will be writing labels, lists, captions or short sentences.

The work for each day will be posted on Google Classroom each day for you to then complete in your home learning books given.

\*SEND: Some children may not be able to read or complete tasks set. The parents of these children would be contacted to give advice on the best approach, i.e. to sit and read through the materials with them and to record their verbal responses to questions.
